

## Grade 7 Complementary Course Registration 2011 - 2012

Please select the options you would like to take part in during the 2011 - 2012 school year. Some of the classes are very popular, or not popular enough, so we also need **three extra choices from you as alternates**. Please note that some of the courses **do have fees**. Once you have selected the options, please have your parents/guardians sign the bottom of the form and return it to the office. The courses offered next year will be determined by the number of students that choose it on their forms. A course will not be offered next year if there is insufficient interest from the students.

**Step 1:** Students choose options and 3 alternatives. Parents must sign form. (Due **May 18**)

**Step 2:** Based on student choices, school administration determine which complementary courses will be offered.

**Step 3:** Students sign up for options via a draft style selection process starting with the future grade 9's and ending with the future grade 7's. (**Week of May 23**) The future grade 9 students get first selection because this is the final opportunity for our Grade 9 students to take part in complementary courses.

**Step 4:** Final Approval. A form showing the student's final complementary course selection is sent home for parents to sign. (Due **June 3**). Students that do not return the final approval form may forfeit their spot in a complementary course.

Fees for complementary courses must be paid prior to the beginning of the applicable trimester.

**Instructions:**

1. Select options from the list below using the number in the brackets to total 6; for example- Basketball (1) + Concert Band (3) + Robotics (1) + Art (1) = 6
2. Number your selections in order of importance with '1' being most important.
3. Include 3 alternative options that you would be satisfied with.
4. Be sure to get your parents' approval for all of your selections and provide the appropriate signatures.
