

## Academic Excellence Continues at SHS!

Our most recent PAT results are aligned with Sturgeon Heights School's tradition of **academic excellence**. Overall, our results demonstrate the exemplary learning that is happening in our school. We maintain very high achievement in many areas as demonstrated below. This year, we will focus on our Acceptable Standard *English Language Arts 6* results by scrutinizing our examination preparation, streamlining aspects of our literacy instruction, and leveling our readers to measure growth using Fountas and Pinnell resources. We will also focus on challenging our *Mathematics 6* students to achieve excellence. By investigating our current results, exploring our examination preparation, and focusing on our fluency with basic facts, we will set our students up for success.

Thank you for your continued support of our school priority: **improving academic success for all students**. Please review the following graph for further information.

## Student Learning Achievement (Grades K-9)

### PAT Results Course By Course Summary By Enrolled With Measure Evaluation

School: 2506 Sturgeon Heights School

Notes:

1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (\*).
2. Achievement Evaluation is not calculated for courses that do not have sufficient data available, either due to too few jurisdictions offering the course or because of changes in tests.
3. Participation in Provincial Achievement Tests was impacted by the flooding in June 2013 (Grade 9 only) and by the fires in May to June 2016. Caution should be used when interpreting trends over time for the province and those school authorities affected by this event.
4. Part A, which requires students to complete number-operation questions without using calculators, was added to Mathematics 6 in 2016/2017 and Mathematics 9 in 2017/2018, respectively.
