The following list outlines the tentative junior high options and semester dates being offered at Sturgeon Heights school for the 2019-2020 school year. **Offerings are subject to change.**

Students will choose two options (A and B) each term for a total of ten option courses per year. *Those students accepted in Sport for Life Academy will be enrolled in one option course (B) each term for a total of five option courses per year. Please make selections in both terms as acceptance in our Sport for Life Academy is not guaranteed.*
